

Callum Winterford

Eye colour:

Hazel

Occupation:

What do I do?

I help make sure that people know about the incredible work of MS-UK!

If I was a movie star, I would be:

Will Smith (the coolest guy on screen!)

3 things I couldn't live without:

Colchester United, peanut butter, arguments about grammar

If I was a character in a book I would be:

Arthur Dent from Hitchhikers Guide to the Galaxy

My nickname:

Cat (apparently short for Callum!)

My catchphrase:

'Winter like the season, Ford like the car.'
